SIXTH SUNDAY IN ORDINARY TIME

Readings This Weekend:

Levi 13:1-2, 44-46 1 Cor 10:31-11:1 Luke 1:40-45

Readings Next Weekend:

Gen 9:8-15 1 Pet 3:18-22 Mark 1:12-15

We are the leper in today's gospel. Admit it! Notice first, the **Portrait that is Presented**. Sin is like leprosy. It disfigures, deteriorates and distances us. It is ugly. But next, note the **Prayerfulness that is Portrayed**. When you've got sin you can either run from God or run to him. It is obvious what we should do. Follow the example of the leper, go to Jesus and kneel and pray. Notice the **Pity that is Powerful**. When the text says Jesus showed pity it is not like we use the term today. Pity is rooted in the word for family love. Jesus sees a brother who is wounded and reaches out to help him. Now see the **Presentation that is Prescribed**: "Go show yourself to the priest", says Jesus. Jesus wants to heal him, but through another. Do you see confession here? Jesus forgives your sins but he wants to do it through others as well, in this case, the priest. Jesus could have healed him directly but he chose the priest. Pay attention here Church. Many ridicule confession to the priest, but here Jesus prescribes the priest. Finally, note the **Praise that is Proclaimed**. Don't forget to testify what the Lord has done for you!

PARISH LIFE

2024 Annual Catholic Services Appeal: *United in Purpose*—This weekend we have been asked prayerfully to consider making a gift to the *2024 Annual Catholic Services Appeal*. Please complete or take a commitment form (in your pews) at Mass this weekend, or make your gift at give.adw.org. Visit appeal.adw.org to learn more about how the Annual Appeal benefits our parish and serves people in need throughout the archdiocese. It is our goal that every parish family will participate this year. All gifts will be credited towards our parish goal. Thank you in advance for your generous response to the *2024 Annual Catholic Services Appeal*!

February is Black History Month—This month is an annual commemoration of Black Americans' achievements and celebrated in honor of their contributions to the United States and the world. In 1926, this celebration was founded by Harvard-trained historian Carter G. Woodson and was initially called Negro History Week. During the nation's bicentennial in 1976, President Gerald R. Ford extended the celebration to a month. Throughout the month, our parish will provide resources and other information so that we all may become more aware of the gifts of our multi-cultural community. See flyer in bulletin.

WHAT ARE YOU DOING FOR LENT?

LIVING WITH JESUS IN THE HOLY EUCHARIST

In this, the Year of the Holy Eucharist, our parish seeks to root and link all our activities, retreats and functions to Jesus who is present with us in the Holy Eucharist. We hope to deepen our personal encounter with the Lord Jesus who is truly and really present in the Holy Liturgy and Eucharist, to reinvigorate our devotion to Holy Mass and Eucharistic adoration, and to draw others to the realization that *Jesus is here right now!*

We are planning events, exhibits and videos which are on our website (hscchurch.org) and bulletin. Visit throughout the year since dates and times may change. **Scan the QR code to the right with your cellphone camera→ to link directly to the church webpage.**

We offer the '*Mass in Slow Motion*' series by Msgr. Pope, throughout the year. This twenty-two part series explains the parts of the Mass and the relevance of everything within the liturgy. Copies are in the bulletin each week and on our website under *Living with Jesus in the Holy Eucharist*.

Visit our '*Eucharistic Miracles*' exhibits in the rear of the sanctuary and learn about the supernatural power of the Eucharist. **NOTE: The exhibit changes every 2-3months.**

EUCHARISTIC ADORATION / HOLY HOUR is held **EVERY FRIDAY from 6—7PM** in the sanctuary. Gather and reflect in quiet prayer in the presence of the Blessed Sacrament. Confessions are also heard at this time. **HOLY HOUR INTENTION FOR 2/16**—that we all may experience a conversion of heart through repentance during Lent.

WHAT IS FORTY HOURS?

Forty Hours Devotion is a special 40-hour period of continuous prayer made before the Blessed Sacrament in solemn exposition. Affirming our belief in the real presence of our Lord Jesus in the Blessed Sacrament, we come to visit and adore the Lord present in the Most Holy Sacrament of the Altar. The Forty Hours Devotion begins with a solemn exposition of the Blessed Sacrament wherein the sacred Host remains on the altar in a “monstrance” like the one seen on the cover of this flyer. During the next 40 hours, the faithful gather for personal or public prayer in adoration of our Lord. All the faithful (adults and youth) are encouraged to sign up to watch and pray for at least one hour during this period. Sign up will be available online and in other ways listed below.

The number forty has always signified a sacred period of time: *the rains during the time of Noah lasted 40 days and nights; the Jews wandered through the desert for 40 years, our Lord fasted and prayed for 40 days before beginning His public ministry.* The Forty Hours Devotion remembers that traditional “forty-hour period” from our Lord’s burial until the resurrection.

Lenten Family Day Theme

More About Jesus Who Died For Me

Our Lenten family day theme is a line from an old hymn that urges our soul to seek always the love and mercy offered by Jesus in his Sacrifice on Calvary. The crucifixion is not merely an event locked in history some two thousand years ago. It radiates across time and touches us now, especially in every Mass!

In the Mass, Jesus reaches across history and touches us from the Cross applying its grace to us. These graces are so important for us that Jesus did not want to limit its effects to one moment in history. In Mass we go to the foot of the cross and experience "more of His love who died for me." We invite you, your family and friends to come to this Lenten Family day and learn more of this beautiful understanding of Holy Mass.

Black History is Everyone's History—A Shared American Story

As we continue to journey through Black History Month, we invite you to learn more about the culture and its impact in our community and around the world. We continue to provide links to a variety of events and informational websites with a specific emphasis on our Catholic faith.

Yes, it can be overwhelming when someone suggests that you 'learn' more about another culture and history and you are not certain where and how to begin. With the internet, there is a plethora of resources such as websites, YouTube videos, books, journals, podcasts and much more, and that can be too much to discern. Our parish is fortunate enough to be located in a city that offers so many ways to begin your journey into the African-American or Black culture. Listed below are some suggestions:

❖ **VISIT A MUSEUM:** The museums of the **Smithsonian Institute** are located here in Washington DC and our church is just a few minutes away. Check out the various exhibits and events offered during Black History Month at all of the Smithsonian museums but especially the National Museum of African-American History and Culture located on the National Mall. And remember, these museums are free to the public. Scan QR code → or visit: <https://www.si.edu/events/black-history-month>.

❖ **LEARN ABOUT BLACKS IN THE CATHOLIC FAITH:**

The Mass in Slow Motion

The Washing of the Priest's Hands

This is a series on the Mass explaining the meaning and history of what we do each Sunday. This series of flyers is an attempt to add insight and understanding to our celebration of the Sacred Liturgy. You are also invited to learn more by attending Sunday School classes for adults which take place in the school cafeteria each Sunday from 9:45 am. to 10:45 am.

This series will follow the Mass in order.

Washing of the hands—Didn't Father wash his hands before Mass? What's he doing that NOW for? Maybe he accidentally touched something that was dirty? Well, in modern times we place a great deal of emphasis on cleanliness. We have bacteria in mind and consider washing necessary to preserve good health and prevent the spread of sickness. But the ancient world knew very little of bacteria and washing to prevent disease. To the ancients washing was for the removal of dirt to be sure but it was also a symbol of purification. So, when the priest washes his hands, he says rather penitential words: "Lord wash away my iniquity and cleanse me of my sins." Notice there is nothing in these words about the body at all. The washing of the hands is a symbol of the priest's need to have his soul cleansed that he may undertake a holy task. He may or may not have dirty hands, but this is really not the essential point which is that he should have a desire for inward purification before daring so holy a task. The washing of the hands should never be omitted by the priest for this reason. The washing of the hands takes place

at the side of the altar with the priest saying the prescribed prayer quietly. The server pours the water.

The history of this practice is indeed ancient. The Jewish faith prescribed many ritual washings and included were washings that took place at or in proximity to the meal. There was certainly a practical aspect to this washing in earlier days of the Mass. After handling the many gifts brought forward, the priest's hands would easily be soiled and this washing thus had a practical aspect. However, some dispute this claim since the ritual sometimes took place before the offerings were brought forward. At any rate, today the rite has an essentially symbolic role wherein the priest recalls his need to be cleansed interiorly and that he shares in the need for forgiveness and redemption.
